### **Interior Design Intern Job Description**

Korb + Associates Architects is a leading Milwaukee based firm in search of talent to be part of our creative architectural group. We have a diverse portfolio that includes education, multi-family housing mixed use and corporate design.

We have a need for a summer interior design intern. This is a temporary position, paid, full time with flexibility up to 40 hours per week.

The ideal candidate should meet the following requirements:

- Pursuing a four-year degree in Design, Interior Design or Architecture
- Proficiency in Revit; knowledge of AutoCAD, Sketchup, Enscape or similar is a plus
- Be self-motivated with strong communication and organization skills
- Have a curiosity and a strong design sense to bring to projects

Responsibilities include:

- Attending site visits
- Library maintenance - sample ordering and returning
- Assisting on projects with construction documentation
- Assisting with creation of project presentations
- Material research
- Space planning
