STUDENT PORTFOLIO

Renderings

These renders showcase the details and materials that will be utilized in the final design. Crown moulding, baseboards and arches pay homage to the original 1892 plans, while a soft color scheme provides comfort and flexibility for all residents.

MATERIAL COLLAGE

Material explorations featuring Elmwood Reclaimed Timber flooring, sustainability-focused Fireclay Tile, carbon-capturing Dekton countertops, and plant-based Organoid wallcoverings. Fabric choices from JF Fabrics, Schumacher and Pindler, and paint colors from Benjamin Moore.

PLATINUM AWARD

A MESSAGE FROM THE JUDGES

THIS PROJECT IS A FANTASTIC EXAMPLE OF COMMUNITY-ENGAGED DESIGN, THOUGHTFULLY REINVENTING A LONG-SHUTTERED COMMUNITY ICON. THE TEAM HAS SKILLFULLY BALANCED THE PERMANENCE OF THE ORIGINAL SPACE WITH THE INTRODUCTION OF FLEXIBLE, CONTEMPORARY MATERIALS, ENSURING ITS RELEVANCE FOR FUTURE GENERATIONS. ADDITIONALLY, THE SENSITIVE APPROACH TO HUMAN SCALE AND ACOUSTICAL CHALLENGES WITHIN THE FORMER DEPARTMENT STORE STRUCTURE RESULTS IN A SPACE THAT IS BOTH WELCOMING AND FUNCTIONAL, SEAMLESSLY BRIDGING PAST AND FUTURE.
